Dear Mr. Wilson,

Thank you for your letter of 18 March 76. You stated that there has been no data-gathering or intelligence operations on the Church of Scientology of Colorado. That is very good. However, there are several Scientology organizations in Colorado. I asked to know if any data-gathering or intelligence operations had been carried on by the CIA in Colorado, against any Scientology organization. I would still like a complete reply to my request.

Sincerely,

Ron Reinhart
Secretary
